

# Annual Impact Report 2024

## Executive Summary

We affirmed our role as a center of inclusivity, support, and advocacy for LGBTQ+ individuals across Central Ohio by defining and implementing our core program pillars. These pillars form the backbone of our advocacy and our work, allowing us to address the wide-ranging needs of our diverse and intersectional community.

This year we connected over **35,000** (both in person and online) individuals to resources and services, including counseling, support groups, medical services, and emergency assistance via the CARES program.

Our Pride Festival, with over **750K** attendees over Pride Weekend, celebrated LGBTQ+ strength while connecting community to resources. Underscoring the importance of inclusive spaces.

## Programmatic Pillars

**Economic Empowerment**

Empowering LGBTQ+ community through financial stability and career success.

**Identity Enrichment**

Celebrating diverse LGBTQ+ identities with cultural, educational, and social activities.

**Health & Wellness**

Promoting a strong sense of well-being for LGBTQ+ individuals.

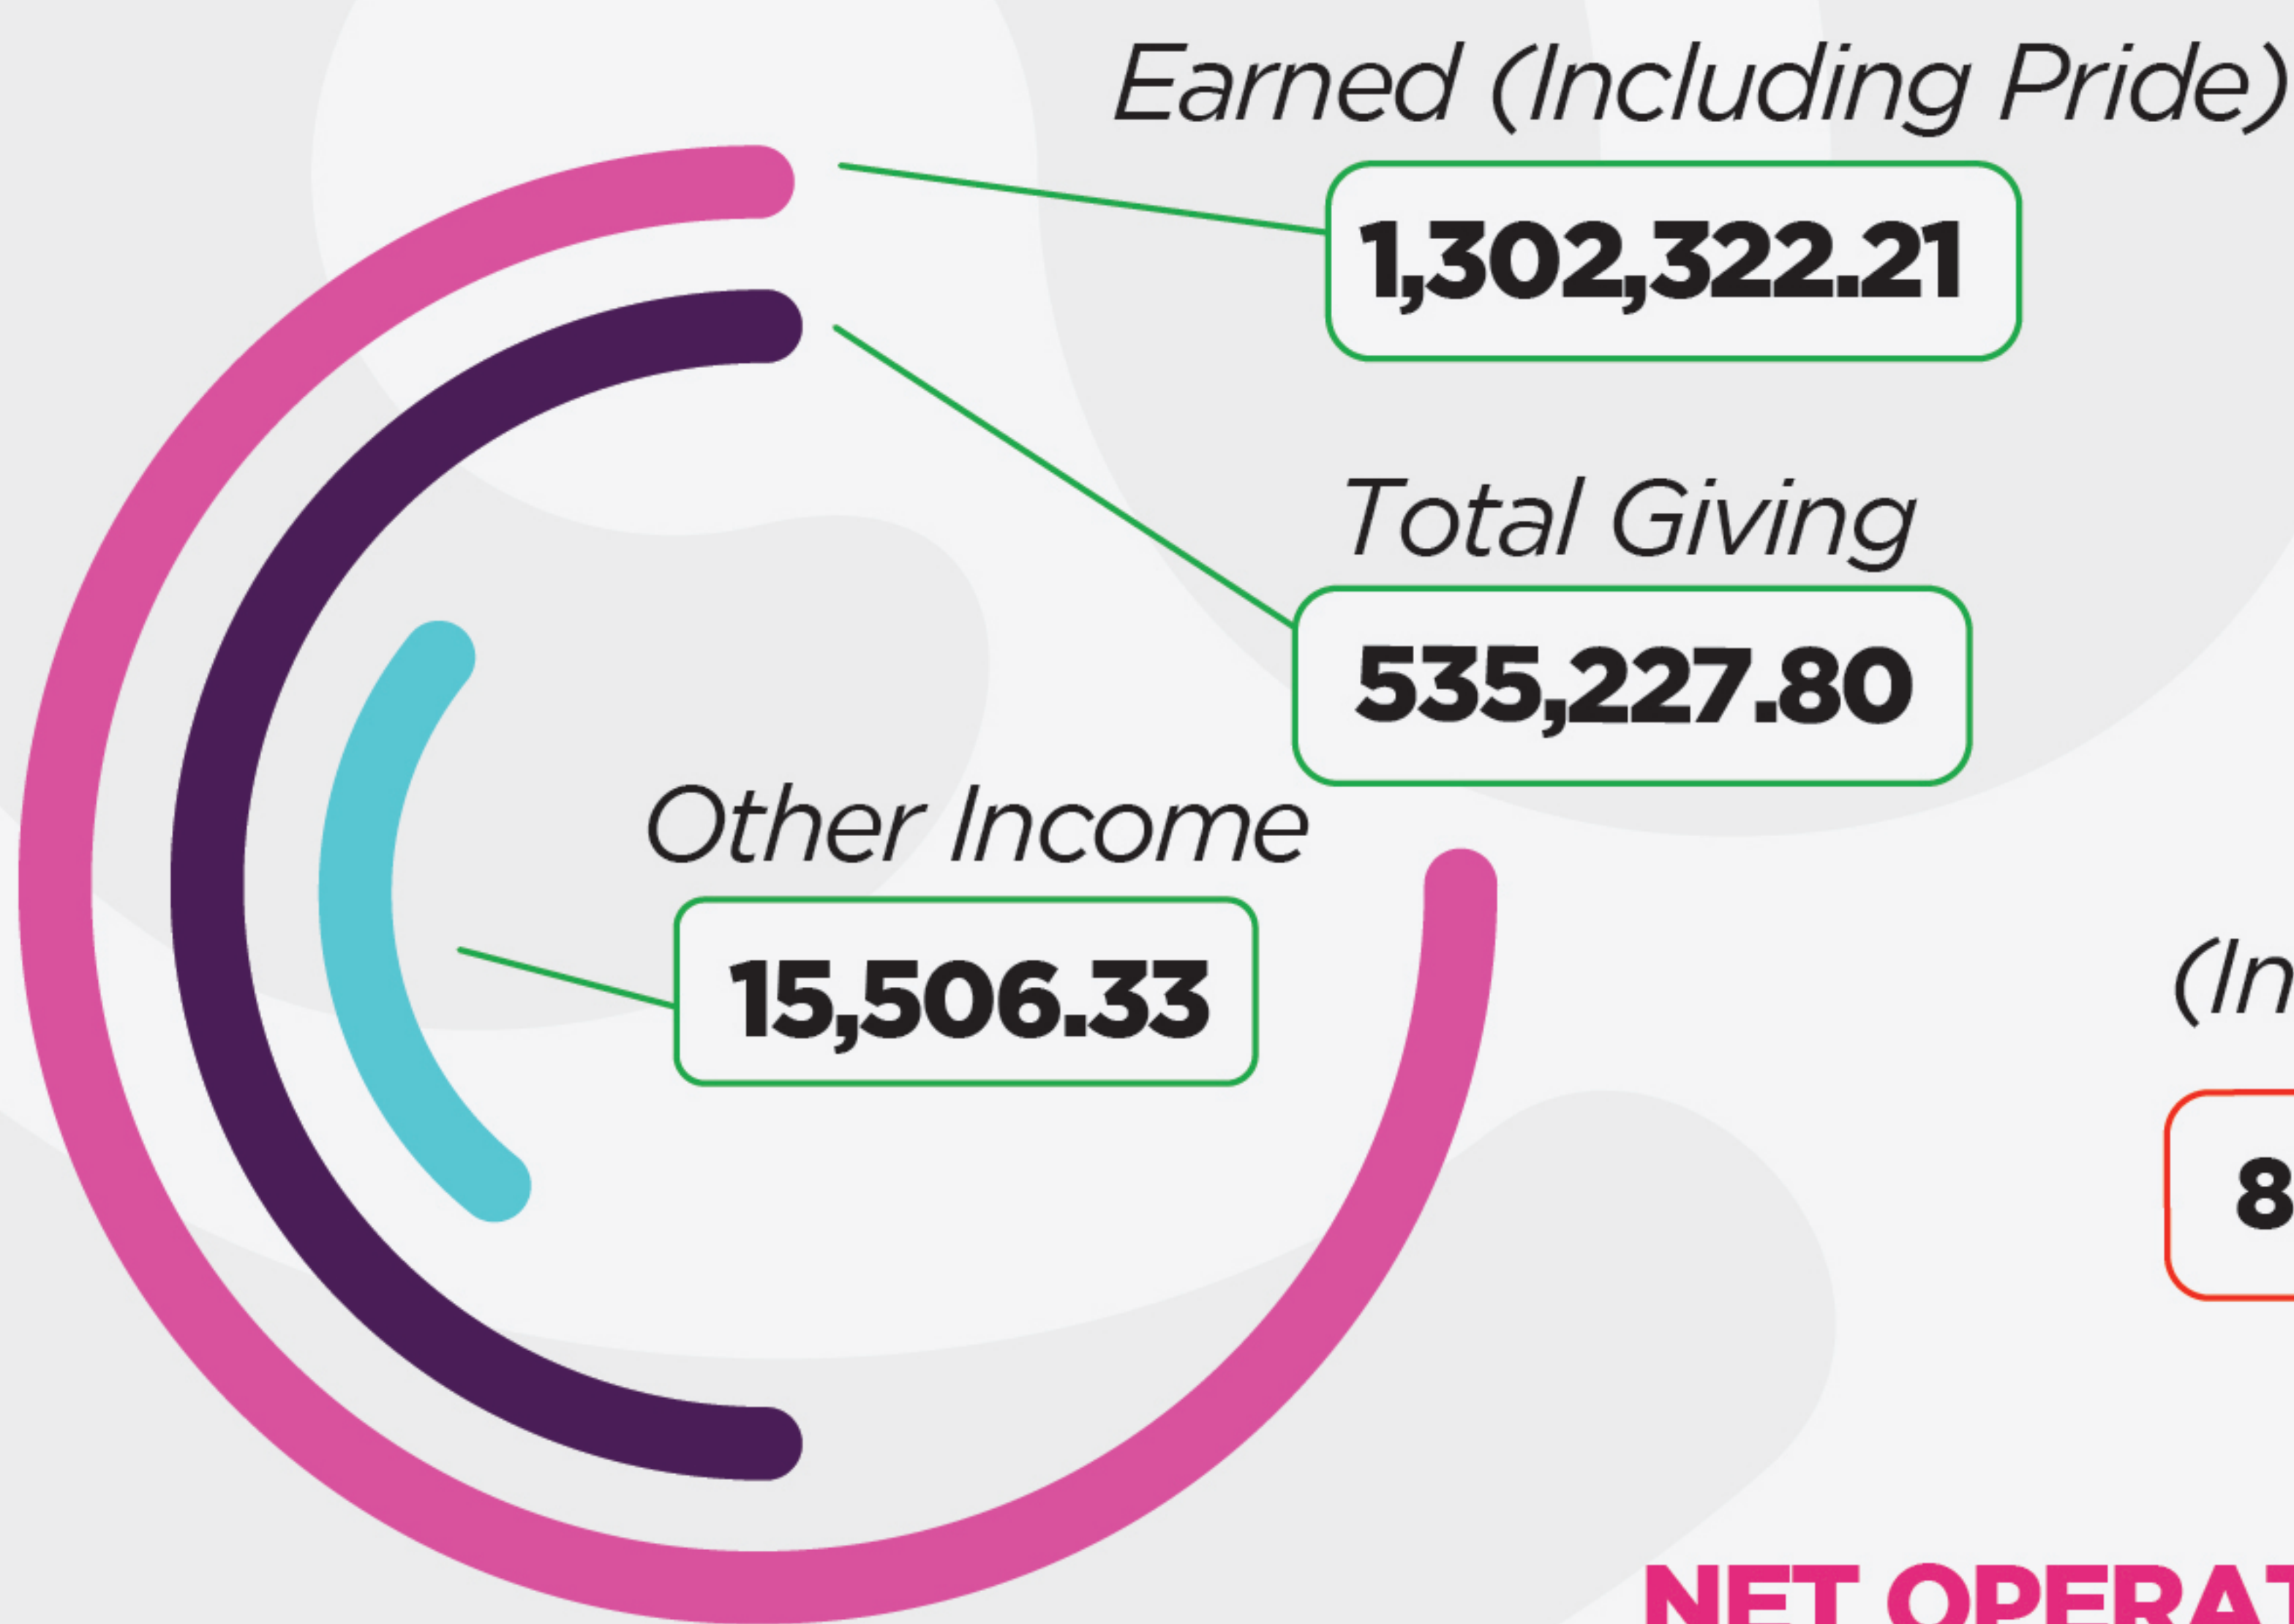

**Family Creation**

Supporting and nurturing LGBTQ+ families through every step.

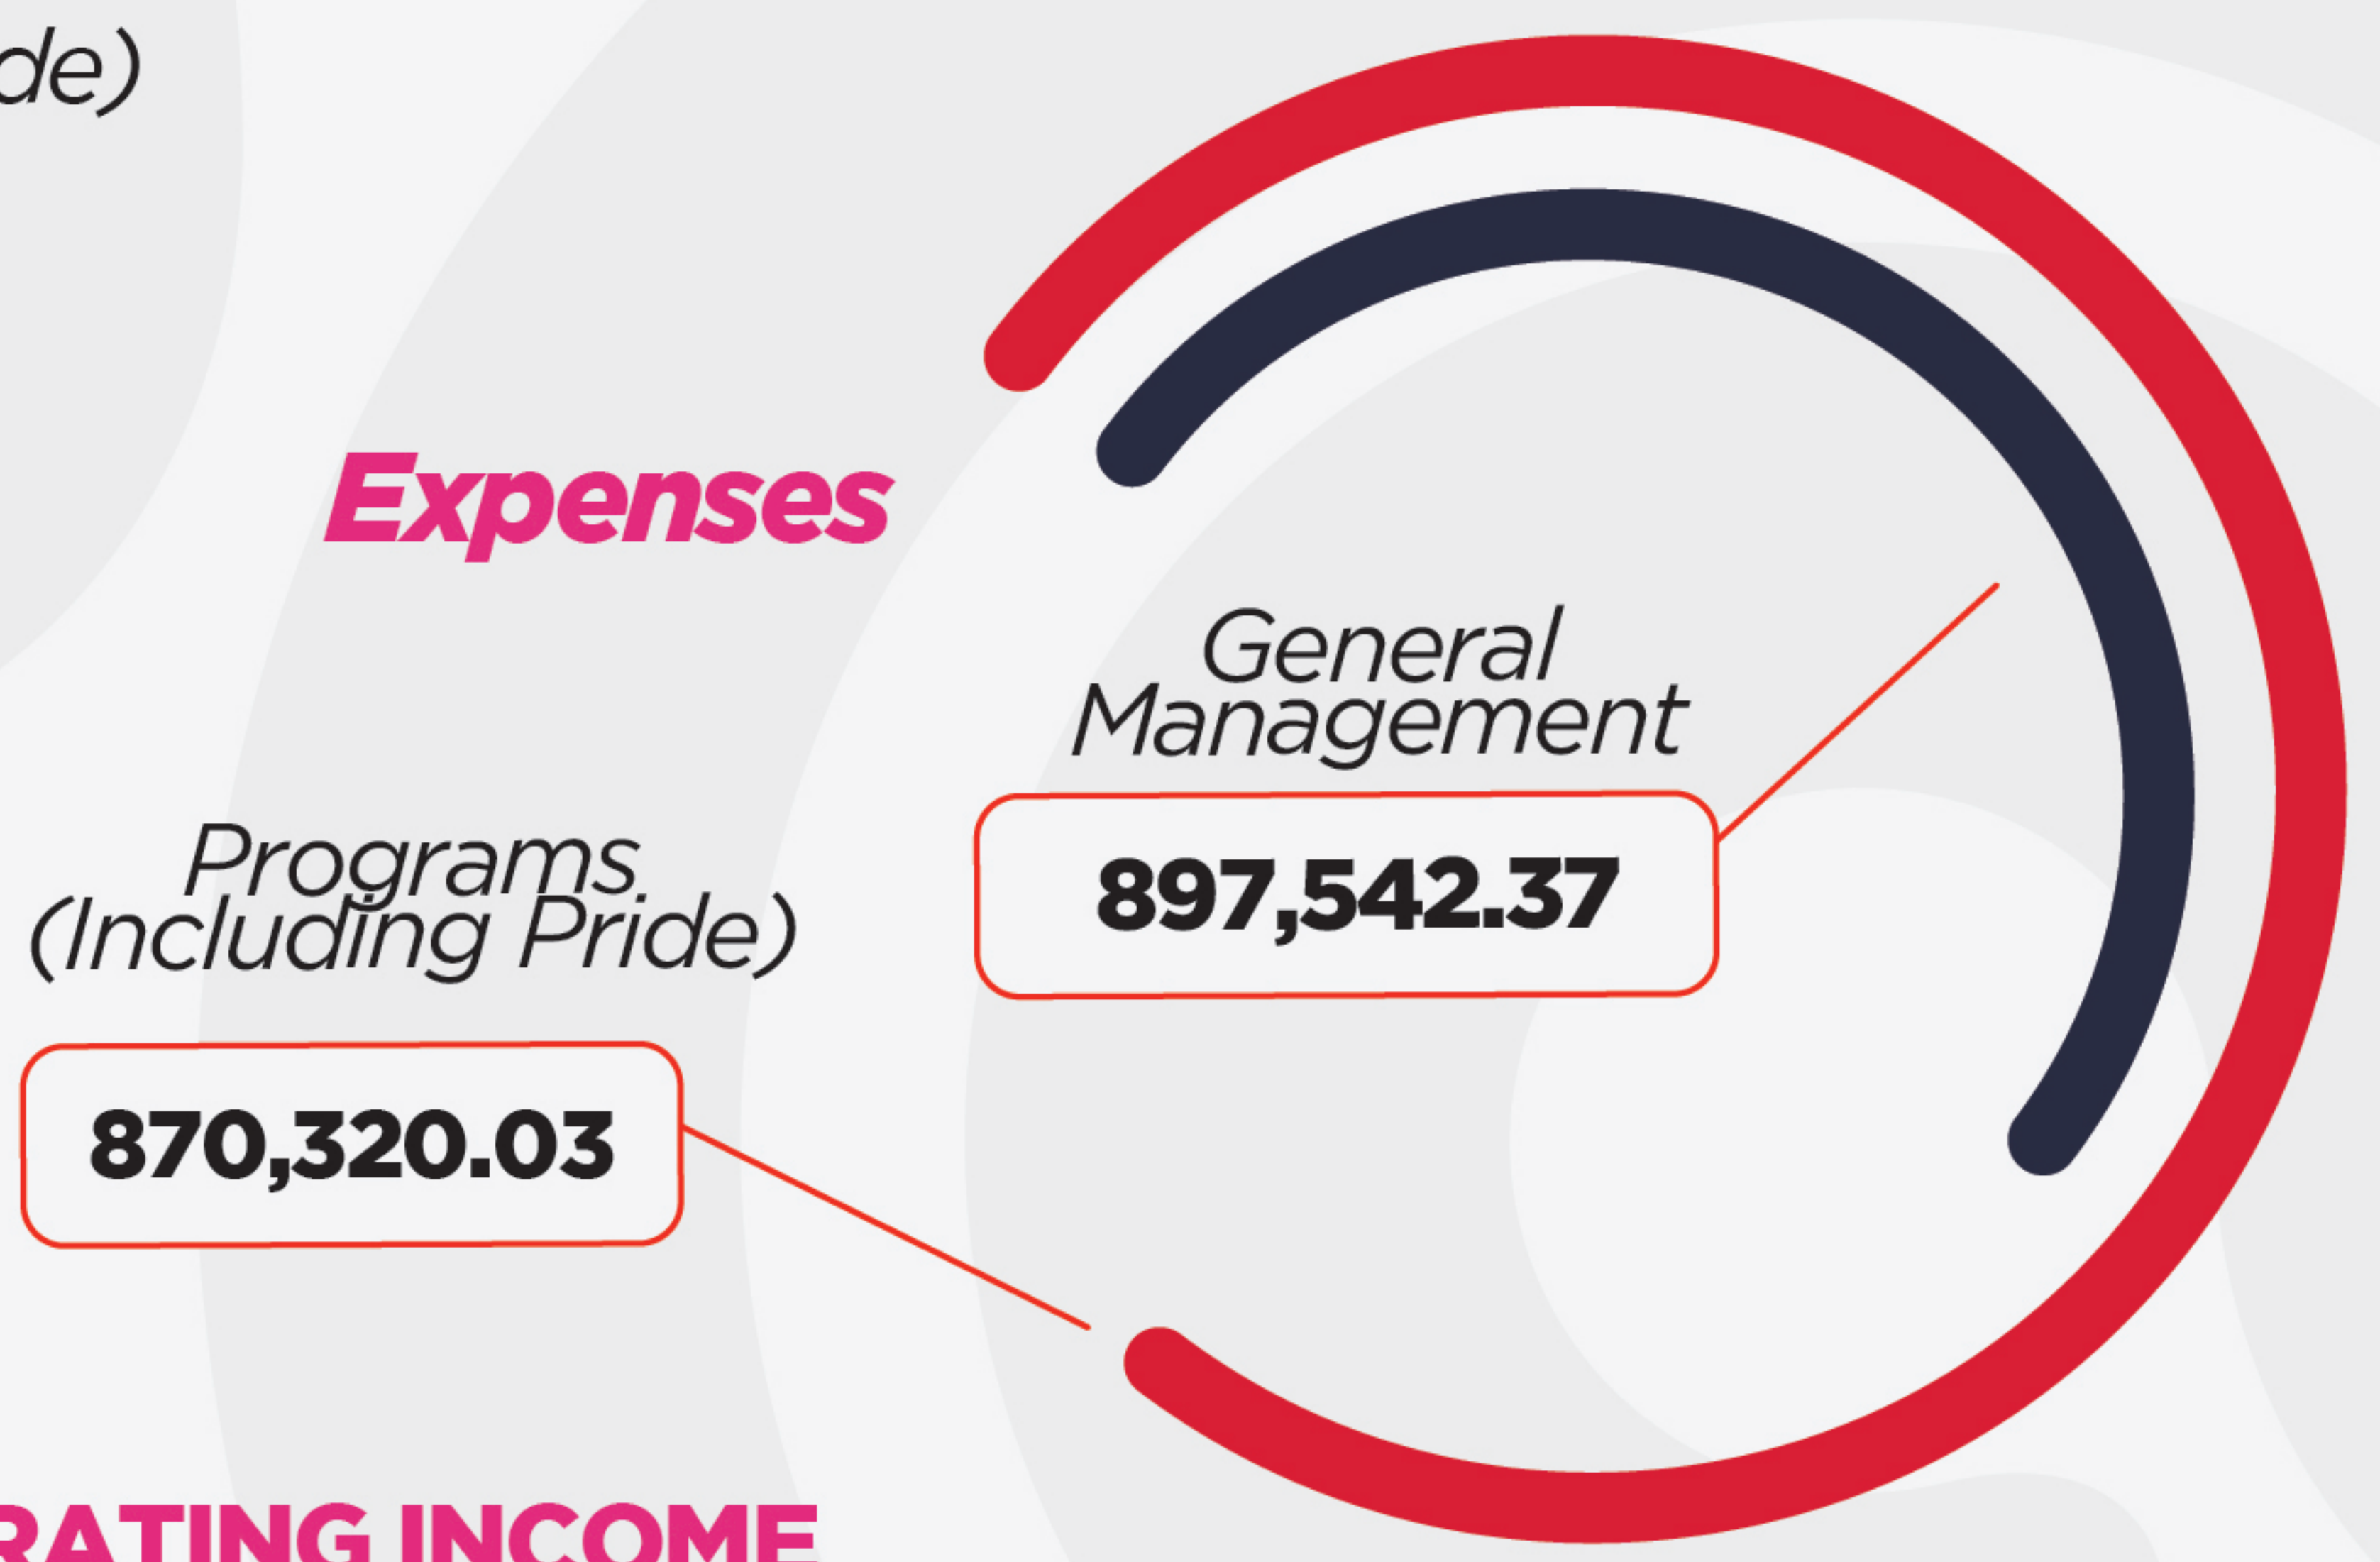

The Stonewall Columbus Center has been activated in new ways and welcomed a wide variety of events and engagements. We strengthened our role in community engagement through programs like the Family Pride Network and the Trailblazers initiative for LGBTQ+ adults over 55, providing safe, affirming spaces where people can connect and thrive.
